<b>Short Description of Project and Impact,</b>		
<b>Estimate of Stream Mitigation Credits Required</b>		

**Note:** Approved applicants will have **120 days to purchase requested credits** from the date of approval. After 120 days, any un-purchased credits are no longer guaranteed to the Applicant and may become available to other interested buyers. During the permitting process, it is the Applicant's responsibility to notify the Compact if additional time or additional credits are needed. Additional credits are not guaranteed but will be provided, if available.

**Please send form (email or hard copy) to:**
