

CHALLENGE #4: CREATE WATER INSPIRED ART

JULY 26th-AUGUST 2nd

Nature often inspires us to be creative. This week we hope that you will use the water near you to inspire you as you create your very own art piece. Art is also a great way to encourage others to care about nature and our environment.

1. Any building materials that you can find. Or you could use paint, markers, pencils to draw an art piece. Or you could use a pencil and paper to create a written piece.
