Urban Habitat Scavenger Hunt

Go outside and try to find these different habitats in your neighborhood. Once you have found them, write what could possibly live in that habitat under the image.

Tree	Soil	Puddle
Crack in the sidewalk 	Hole in the ground	Garden
House	Grass	Compost

What is a habitat? A habitat is a place where a living thing can find all the things it needs to survive: food, water, and shelter.

Can you think of another habitat near you? Write it down here:
